Your licence has a traffic light. By default you will display as Yellow with a Proof of ID condition. You must provide your Civil Drivers licence to the Steward at Sign in in order to clear this condition.

No civil drivers licence = No race

Signing into the Meeting

Go to the Stewards Room. A Steward will clear your conditions and sign you into the meeting.

After the Meeting

The One Day Licence will become used and display as Red with 'Licence already used' following the meeting. You will need to purchase a new One Day Licence.

What if I don't have the App, can I still race?

Please tell the Steward your surname at sign in. They can search for your licence.

Can I just buy a One Day licence off the Steward at the track?

No, there is no longer a paper form. You must purchase a One Day licence via the Speedway NZ website.
